

Document Services Capability Statement

CROSSROADS Industrial Services

Manufacturing, Assembly
& Supply Chain Solutions

Crossroads Document Services converts all types of documents into digital format. Outsourcing allows our customers to reap the benefits of digital document management by providing an affordable, easy-to-access alternative to paper record storage. Scanning capabilities include all sizes of black / white and color documents, including large format drawings, prints, photos and business cards.

We work with a wide range of clients including those in healthcare, manufacturing, accounting, real estate, mortgage, title, government, construction, education, automotive and nonprofit fields.

Crossroads, a division of Easter Seals Crossroads, has been helping companies for more than 75 years to focus on core strengths, while lowering their operational and production costs. Crossroads Document Services' mission is to employ people with disabilities and generate an income to support rehabilitation services for children and adults at Easter Seals Crossroads.
